It aims at being amongst the top educational Institute in the Haryana as well as in India, offering contemporary education, high quality research and training to suit the ever changing needs of the industry and society Every year this association is adding a new step in the field of education. Janta Vidya Bhawan has achieved heights of success in short spam of time. At present Janta Vidya Bhawan offering

Janta College of Pharmacy, Janta Polytechnic, Diploma in Medical Lab Technology, C.D.R. Janta Mahavidyalaya, Janta Sr. Sec. School, Ch. Dhajja Ram Memorial Primary School and our proposed course are Diploma in Vetenninary Scienci (VLDD), JBT, B.Ed, ANM and GNM.

It is my pleasure to invite you to join Janta Vidya Bhawan family for a memorable journey of quality education, training and learning that will open excellent career prospectus in future.

Hope to see you at Janta Vidya Bhawan Campus.

Sh. Satyapal Singh
President
Janta Vidya Bhawan, Butana

Message

College is a platform where the students prepare themselves to face the world and Janta Vidya Bhawan has striven to mould the personalities of students in such a way that they can face the perplexing, complex situations and challenges of life with confidence. With the explosion of knowledge and globalization of education across social, cultural and geographical boundaries, students with unique multi-cultural programmes.

This on one hand helps our students to about the socio-economic, cultural and educational scenario and on the other hand, takes our Institute and students to national platform. Thus, our students have an edge over others as they are well equipped to face the global challenges.

Sh. Krishan Kumar Sangwan
Secretary
Janta Vidya Bhawan, Butana

From the Principals' Desk

**It is better to light a lamp,
rather than cursing darkness.**

Janta College of Pharmacy is a part of Janta Vidya Bhawan, a lush green, beautiful campus, spread in the heart of Sonapat district, Teh. Gohana, established in 1977 by Ch. Dhajja Ram Ji. The college offers B. Pharmacy and D. Pharmacy courses duly approved by AICTE and PCI, New Delhi and affiliated to Pt. B.D

Sharma University of Health Sciences, Rohtak and HSBTE, Panchkula.

Janta College of Pharmacy is the first private institution of Haryana. The college has an excellent infrastructure, experienced faculty, well-equipped with Pharmacology, Pharmacognosy, Pharmaceutics, Pharmaceutical Chemistry Laboratories and other facilities like Library, Herbal Garden and Museum etc. The mission of Janta College of Pharmacy is to educate students to be highly competent, caring and ethical pharmacy professional in respective areas of specialization along with an accompanying overall growth with focus on academic and creative aspects.

We are confident that the institution is keeping alive the traditions of the past whilst incorporating healthy modern values. I look forward to this exciting journey of education with selfless dedication of management and outstanding faculty to educate our students in such a way that they can achieve success in all their future endeavors.

***Dr. M.S. Hooda
M.Pharm., Ph.D
Principal
Janta College of Pharmacy***

From the Principals' Desk

Janta Polytechnic is approved by AICTE (All India Council for Technical Education) and is affiliated to Haryana State Board of Technical Education, Panchkula. The Janta Polytechnic came into existence to provide technical education of highest standards in the fields of Engineering.

The mission and target is to produce diploma graduates who are able to get international standard education through healthy academic environment, proper guidance and constructive counseling. Under this institution the students not only show their capability in practical approach to problems but also augment their knowledge with theoretical considerations and even work in the area of research and development.

The institute is located at a place where all kinds of facilities like round the clock electricity/water/security available. The institute is built with all kinds of infrastructure required for any institute.

Mr. Narender Sangwan
Principal
Janta Polytechnic

From the Principals' Desk

My main concern has always been the holistic development of a child. I always perceive education as a force which can lead children to move into the new horizons of success. Education turns the children into the best citizens by doing their harmonious development.

The education plays an important role in making the students self dependent, self confident, self respected and ideal citizens. There is need of such kind of education, which can make them acquaint with the real

values and aims of the education. This school develops the feelings of self dependence, self reliance, firmness, amity, co-operation and nationalism through Indian culture and civilization.

Mr. Dalbir Singh
Principal
Janta Sr. Sec. School

PHARMACOLOGY LABORATORY:

Pharmacology studies of different drug molecules on various models like pain, inflammation, muscle-relaxant properties, analgesic, antipyretic etc.

Facilities in Lab:-

Actophotometer, Rota-rod, analgesiometer, Organ bath, Eddie's hot plate, Poll climbing apparatus, Spirometer, Pharmacology software, Different charts related to our body system etc.

PHARMACOGNOSY LABORATORY:

In Pharmacognosy Lab. Pharmacognostic and Phytochemical Screening, Extraction and Isolation of secondary plant metabolites and standardization of herbal drug has been done.

Facilities in Lab:-

Thin Layer Chromatography, Soxhlet apparatus, Clevenger's apparatus, compound microscope and projection microscope, Camera Lucida, Hot air oven, BOD Incubator, Colony Counter, Zone Reader, Moisture balance, Weighing balance and charts related to microscopy & morphology of medicinal drugs.

PHARMACEUTICS LABORATORY:

Pharmaceutics division is engaged in formulation, Optimization & evaluation of various conventional (like tablets, capsuls, syrup, ointment, cream dosage etc.) and novel (like microspheres, we get familiarize with standardization and of functions of various modern equipments like.

Facilities in Lab:-

Friability tester, Disintegration test apparatus, Dissolution test apparatus, clarity test apparatus and Bulk density apparatus, Tablet Machine, Tablet Coating Pan, Ball Mill, Ampoule filling and sealing machin, Autoclave, pH Meter, Laminar air flow, Aseptic room etc.

PHARMACEUTICAL CHEMISTRY LABORATORY:

In Pharmaceutical Chemistry Lab. Design, Synthesis and Analysis of Drug Molecules has been done.

Facilities in Lab:-

Fluorimeter, Colorimeters, pH Meters, Melting point apparatus, distillation assemblies, Electronic, Anylytical and Digital balance, UV Spectrometer Double beam and single beam etc.

Eligibility for admission in Pharmacy

Pass in 12th examination (Medical or Non-medical stream) for B.Pharm and D.Pharm from Board of School Education, Haryana, or equivalent examination from a recognized board/university with 50% marks.

For DMLT pass in 10th examination.

Fees Structure Janta College of Pharmacy:

Fees/year will be charged for B. Pharmacy:

Sr. No.	Description of Fees	Rs.
1.	Tuition fees per year	30000/-
2.	Development Fund	5000/-
3.	Student Fund per year	1500/-
4.	Security	2000/-
5.	TOTAL	38500/-

Fees/year will be charged for D. Pharmacy:

Sr. No.	Description of Fees	Rs.
1.	Tuition fees per year	19000/-
2.	Development Fund	4000/-
3.	Student Fund per year	1200/-
4.	Security	1500/-
5.	College Fund	4800/-
6.	TOTAL	30500/-

Fees/year will be charged for D.M.L.T. :

Sr. No.	Description of Fees	Rs.
1.	Tuition fees per year	16000/-
2.	Development Fund	4000/-
3.	Student Fund per year	1200/-
4.	Security	1500/-
5.	College Fund	1800/-
6.	TOTAL	27500/-

JANTA POLYTECHNIC, BUTANA(SONEPAT)

Introduction:

Janta Polytechnic, Butana (Sonipat) was established in 2004 with two courses ECE and Applied Art and Craft. In 2006, two new courses Computer Engg. And Electrical Engg were introduced.

In 2008, Mechanical Engg and Civil Engg were also introduced in the institute. Today it is a successful institution in creating a platform for deserving students of the state. The institution has a mission of imparting technical education to create a new technical knowledge based professionals who will be capable to face the challenges of the globalization process. The institute also provides opportunities for a bright career. It gives a vision of the 21st century.

Aims and Objectives:

The institute has been established to prepare mid-level supervisory manpower required by the Industry by imparting training in theory and practical skills for three years.

The institute will achieve its goal-
